

# PRESIDENT HARDING TO ADDRESS SENATE

## WILL ASK BODY TO DEFER ACTION ON SOLDIER BONUS BILL

**Senators Lodge and Curtis Said to Have  
Given Him Assurance That a Motion to  
Recommit Would be Adopted—Senator  
Wadsworth Criticizes Allotment System**

(By The Associated Press)  
WASHINGTON, July 11.—President Harding plans to appear before the senate tomorrow and ask for temporary postponement of the soldier bonus bill.  
Plans for the president's address to the senate were discussed late today by the executive with Senator Lodge of Massachusetts, Republican leader, and Senator Curtis of Kansas, Republican whip. It is understood that the bonus bill will be the only subject touched upon in the address and that suggestions for a joint address to the congress or the transmission only of a message have been abandoned.  
The president, it was said, had expected to address the senate today, but was prevented by pressure of other business.

He is now expected to speak in the senate chamber tomorrow afternoon but if delayed further, it is expected that he will do so not later than Wednesday. Decision to address the senate on the bonus bill on the earliest opportunity was reached by the president in conference with the Republican leaders at the White House while the senate was debating the measure.

Senators Lodge and Curtis were said to have given him assurance that a motion to recommit the bonus bill would be adopted. At the conference the entire legislative session was said to have been discussed although, it was added that the president would not discuss tariff or tax legislation. When the senate renewed consideration of the soldier bonus bill today, Senator Norris, Republican, Nebraska, introduced an amendment directing the secretary to collect interest due on allied debts, the fund being set aside to pay the bill expenses.

**May Lose Entire Loans**  
"Why is it the governments cannot pay their interests?" Senator Norris asked, adding that in some cases it probably was impossible and in a few instances that the entire loans would be lost.

"But in the main the foreign governments are paying interest on their own bonds just as we are," he said.

Senator Norris said he was advised by the treasury that accrued interest on the foreign loans should be applied to any specific indebtedness.  
**Criticizes Allotment System**  
Senator Wadsworth, Republican, New York, described as a grave mistake, the insinuation of the system whereby men in service during the world war were compelled to turn over a portion of their pay as allotments to their dependents. To rectify that mistake, he proposed that the government return to the men the money turned over for allotment purposes. He said he had been advised this amounted to about three hundred and fifty million dollars and would benefit those most needing a bonus.

Designation of the pending bill as an adjusted compensation measure was described by Senator Wadsworth as a misnomer. He said, it would distribute cash indiscriminately and without regard to need.  
Payment of an indiscriminate cash bonus, he said, would be "creating a precedent which will plague our descendants."

"Let us be generous," he added. "But when you vote to pay every man a cash bonus, rich and poor alike, you are commercializing patriotism."  
Plans to delay consideration of the bonus measure were attacked by the legislative committee of the American Legion in a statement tonight. It referred to the letter of Secretary Mellon urging that consideration be deferred as "intellectually dishonest, economically unwarranted and politically ludicrous."

"Postponement," it added, "is merely a subterfuge, a play for time, through which its enemies hope ultimately to defeat the measure."  
Asserting that the bill is a measure of elemental justice, and will "not affect disastrously or even harmfully the finances of the country, but will rather add to the nation's economic power by placing hundreds of thousands of bread winners back on their feet," the statement said that the "legion," "is irrevocably committed to it, popular opinion is behind it and the congress should pass it and get it out of the way."

## NEXT THURSDAY DESIGNATED FOR THE CONFERENCE

**Lloyd George and De-  
Valera Will Meet to  
Talk Peace**

(By The Associated Press)  
LONDON, July 11.—The two leading developments in the Irish situation today were the designation of next Thursday as the date on which Premier Lloyd George and Eamonn DeValera will meet in London to begin conversations looking to the settlement of the Irish question and the coming in to effect at noon of the truce in Ireland as agreed upon. The official announced that Mr. DeValera would come to London next Thursday to confer with the premier but did not specify the place where the actual meeting is to be held. It is understood that the Irish Republican leader will have as colleagues, Arthur Griffith, founder of the Sinn Fein, and Professor John MacNeill, E. J. Duggan and Austin Stack, Sinn Fein members of parliament.

Mr. Lloyd George's associates at the conference have not been announced.

### Brings Peace to Dublin

The Irish truce brought back to Dublin much of its old peace time appearance, the streets lacking their usual military display and confidence being expressed that the Republican forces would observe the conditions of the armistice. Strict adherence to the truce also was observed throughout the county Galway.  
In other parts of Ireland, notably Belfast, where desperate fighting occurred yesterday and continued with diminished severity this morning, the truce was observed in varying degree, its provisions apparently being complied with more promptly by the crown forces than the Republicans.

Acts of violence in various parts of the country were reported in considerable number up to mid-day. These clashes rarely occurred in the extreme western and southern sections of Ireland and the authorities assumed that they were due to non-receipt of notice of the truce. Raids on two Dublin branches of the Ulster bank occurred during the day the raiders obtaining several hundred pounds in currency and making their escape.

## STATE TREASURER MILLER IS FIRST WITNESS MONDAY

**Appears Before Grand Jury  
in State Treasurer  
Probe**

(By The Associated Press)  
SPRINGFIELD, July 11.—The grand jury which is in session to investigate affairs of the state treasurer's office during the administration of Governor Len Small and Lieutenant Governor Fred E. Sterling convened at 4 o'clock this afternoon.  
Attorney General Brundage, who demanded an investigation of the state treasurer's office did not arrive until 2 o'clock and this caused States Attorney Mortimer to postpone convening until the hour named above.  
The first witness called was State Treasurer Miller. He was one time stand when the jury adjourned for the day.  
The investigation was accompanied by the usual secrecy of an inquiry of its character. Treasurer Miller, who is expected to go on the witness stand in the morning to complete his testimony would make no statement tonight relative to the investigation. Mr. Miller will probably be followed by his assistant, Harry Laehrs, as the second witness.  
It was said that little of any value to the investigation was found in a safety deposit box in a Springfield bank, the custody of which was taken over by the attorney general's forces as the investigation began. Possibility of civil action against individuals involved in the investigation was being discussed tonight.

### RETURN FROM MAZANZ

Mr. and Mrs. C. F. Ehnle, Miss Grace Gilham and their sister, Mrs. M. E. Levens of Fulton, Mo., and J. C. Gilham have returned from Lake Matanzas where they have spent the past three weeks. Mrs. George Vanvelgen of Mason City was also a member of the party. Mrs. Levens is now a guest at the Ehnle home, 739 West State street.

## Condensed Telegraphic News (By The Associated Press)

BELFAST, July 11.—Freight and mail service from Belfast to Londonberry was attacked near Carrickmore, county Tyrone, this morning, and six cars with their contents were burned and this line torn up at this point.

ST. LOUIS, July 11.—Approximately 1,000 union teamsters and chauffeurs went on strike today in protest against a proposed wage decrease of ten to twelve percent. The walkout virtually paralyzed the business of transfer and vehicle service companies. The present wage scale ranges from \$25.50 to \$36 a week.

WILLIAMSON, W. Va., July 11.—Led by officers of the state police, a force of eighty-five militiamen and troopers today went to Lynn and Blackberry City, 12 miles east of here, and arrested 26 men who were charged with being implicated in the burning of a coal company store at Lynn several weeks ago. The militiamen and troopers confiscated a number of guns.

CHICAGO, July 11.—The Daily legislative committee, investigating charges involving business agents of unions as the collectors of graft from contractors and owners of buildings, will close its taking of testimony with a hearing tomorrow when testimony will be taken regarding an alleged \$50,000 graft payment in connection with the erection of a local theater.

CHICAGO, July 11.—The National Association of Creditmen, in this week launching a campaign for the revision of federal taxation laws and government economy to reduce the burden now borne by the tax payers of the country.

## ILLINOIS TYPOGRAPHICAL UNION ELECTED OFFICERS

**State Convention Opened Sunday—Banquet  
at Dunlap Hotel Sunday Evening—Mayor  
Crabtree Welcomes Delegates—Reso-  
lution of Forty-Four Hour Week Adopted**

About thirty delegates from Illinois cities are present in Jacksonville to attend the annual convention of the Illinois Typographical Union which ended Tuesday morning.

Two cities have asked for the 1922 meeting of the organization. An invitation from Chicago came in the form of a handsome engraved booklet from the Association of Commerce. Springfield has asked the convention to make the city its permanent headquarters. The executive board will make the selection at a later date.

The convention opened Sunday afternoon at two o'clock at the Trades and Labor Temple. In addition to the regular delegates, a large number of visitors from Springfield and Peoria and other cities were present at this meeting, having come in automobiles. At 4:30 the delegates were taken by Jacksonville citizens for an auto ride about the city and surrounding country. The visitors showed great interest in the city's new waterworks system.

The delegates and their guests gathered at the Dunlap Hotel at 6:30 for the annual banquet. Manager John Rule took special pains to provide a sumptuous feast, and all were pleased with the results. The entertainment committee, which had charge of the banquet arrangements was composed of Carl E. Newport, Charles E. Souza and William Hammond. J. Lefroy Harney of Jacksonville, president of local Union No. 356, acted as toastmaster.

### Mayor Welcomes Delegates

Mayor E. E. Crabtree was the first speaker. He welcomed the visitors to the city, and made a few appropriate remarks about the value of co-operation.  
He was followed by John V. Ross of Champaign. Mr. Ross is president of the Illinois Typographical Union. He spoke briefly of the significance and value of the labor movement.  
The next speaker was W. L. Fay, president of the Jacksonville Journal. Mr. Fay, who is one of the oldest printers in Jacksonville, told something of the old days in a printing office, and referred to the advance which has been made in the printing trade.  
After these came H. C. Maddox of Alton, secretary-treasurer of the state union and C. Y. Rowe of the Cloverleaf Press. Other speakers were Messrs. German of Springfield and Wicks and English of Chicago.

## FORDNEY TARIFF MEASURE MEETS WITH OPPOSITION

**Is Alternately Con-  
demned and Praised  
in Six Hour Session**

(By The Associated Press)  
WASHINGTON, July 11.—The Fordney tariff bill was alternately condemned and praised in a six hour session of the house today. In a speech which drew repeated rejoinders from Republicans, Representative Collier of Mississippi, a Democratic member of the ways and means committee charged that Chairman Fordney had permitted the committee to hear only one side of the case in framing the measure.

Mr. Collier declared the American people had asked for duty free meat and they got lava and skeletons; that they asked for free sugar and got Chinese joss sticks.  
"This Fordney bill has put rates so high," he said, "that the people will suffer deprivation. The bill lets leeches in without duty. American leeches have been hanging around the ways and means committee for months asking for rates so high that they would draw the very life blood of the people and I fail to see the logic of letting in other leeches without being taxed upon their American valuations."

### Democrats for Bill.

The Republican speakers included Representative Wurzbach of Texas, who challenged the Democratic members of his state delegation to vote for a bill which he said, would help their people as much as those of any other section. Support for the measure also was voiced by Representative Martin of Louisiana a Democratic member of the ways and means committee who said that he felt it would be beneficial to the south.

The days was marked by an attack on half a dozen sections of the bill of Representative Frear of Wisconsin, the only Republican member of the committee which drafted the bill who has not lined up with the majority.  
The Wisconsin member contended his fire on the dye embargo provisions and in so doing assailed Francis P. Garvin, former alien property custodian for the methods he is alleged to have used in disposing of German dye patents.

Mr. Garvin, Mr. Frear charged had not obeyed the laws of his country in the sale of the patents and had violated international laws as well. The dye provisions Mr. Frear asserted should go out of the measure adding that he expected to ask that they be voted out when that section of the bill is reached.

## CONSERVATORY HALL TO HOUSE CAFETERIA

After a long period of disuse Conservatory hall, the scene of many a musical and literary entertainment, is to be turned to business purposes. The "hall" occupies the second floor of Conservatory block on West Morgan street, now the property of Byron Armstrong.

Yesterday Birnbaum & Moore completed arrangements with Mr. Armstrong for the use of the hall. It will be speedily refitted and become Jacksonville's first cafeteria. A broad stairway leads to the hall making it easy of access, and the lessees believe that it will prove an admirable place for the cafeteria. The space is so ample that several hundred people can be served at one time. The stage which occupies the east end of the room will be retained and it is the thought of the lessees that the room may be occasionally used for semi-public gatherings where self-service luncheon or dinner will fit in with the other arrangements.

### WEST SIDE ART CLUB MET

Members of the West Side Art Club met recently at the home of Mrs. H. Hackley on Marion street. The hostess was assisted by Mrs. Gloria Hill. Routine business was given attention and then came a social hour and the serving of delicious refreshments.

## LENGTHY STATEMENT MADE IN HOUSE OF COMMONS BY GEORGE

**Gives a Frank Explanation of Steps Leading  
up to the Proposed Conference on Dis-  
armaments—President Harding's Sugges-  
tion Received With the Utmost Confidence**

(By The Associated Press)  
LONDON, July 11.—Premier Lloyd George in a lengthy statement to the house of commons today gave a full and frank explanation of the steps leading to the proposed conference for the edification of armaments. The first principle of the British policy, he declared, was friendly co-operation with the United States.

"We are all convinced," said the prime minister, "that upon this, more than any single factor, depends the peace and well-being of the world."  
The initiative of President Harding with respect to an international conference on the limitation of armaments had been received with the utmost pleasure by Great Britain, said Mr. Lloyd George, and he added that he spoke for the empire as a whole.

## WILLIAM H. TAFT CHIEF JUSTICE SUPREME COURT

**Receives Commission  
and Takes Oath of  
Office Monday**

(By The Associated Press)  
WASHINGTON, July 11.—William Howard Taft was sworn in today as chief justice of the United States.

The simple ceremony of elevating the former president to the supreme court was performed in the office of Attorney General Daugherty by Justice Hoehling of the district supreme court, in the absence from the city of the justices of the supreme court. Those present included Mr. Taft's brother, Henry W. Taft of New York and John T. Adams, chairman of the Republican national committee.

Before the oath was administered Attorney General Daugherty presented Mr. Taft with his commission as chief justice, saying:

"I now hand you, on behalf of the president, your commission as chief justice of the United States. It affords me great pleasure on account of my personal relations, but far above that, I feel a security to the country, its constitution, its laws and its people, in your installation in that high court."

Immediately after taking the oath Chief Justice Taft went to the White House to pay his respects to President Harding. He was accompanied by Mr. Daugherty.

The new chief justice and Mr. Daugherty were guests tonight of President Harding at dinner at the White House. During the afternoon Justice Taft visited the capitol, conferring with Chairman Nelson of the senate judiciary committee and others.

### UNITY WORKERS OF WOODSON CHURCH MET

The regular meeting of the Unity Workers of Woodson Presbyterian church was held recently at the home of Mrs. John Hoagland. The meeting opened with the singing of "Dear to the Heart of the Shepherd," and later came a business session.

The program of the afternoon included the following:

Instrumental solos—Miss Ruth Dorwart.  
Reading, "Too Late for the Train," Mrs. Hugh Voorhes.  
Reading, "Service," Mrs. J. Colton.

An amusing feature of the program was a prize grab bag, each of those present, drawing some little article. Visitors from Jacksonville were Mrs. Cunningham, Mrs. Dorwart and Miss Ruth Dorwart. Other guests were Mrs. Lewis of Durbin and Mrs. Wilcox of Scumerville, New Jersey. At the close of the program came a social hour and the serving of refreshments.

### WILL MEET WEDNESDAY

The Pleasant Hour club will meet Wednesday afternoon with Mrs. E. D. Pyatt on North Fayette street.

With the circus today, a western roundup for three days next month, followed by a ten days' chautauqua, Morgan county people have plenty of entertainment in prospect. Then in addition there is a three day fair in September. All these things will bring people into Jacksonville and the greater the number the better it will be.

Harold Bauer, dismissed the audience assembled for one of his concerts recently and return-

ed his \$1,800 check to the management. He did this because a baby or two cried out during the first number of the program and disturbed his peace of mind. Only a great artist with "artistic temperament"—and lots of it—could afford to treat a great audience in this way.

Statistics for the first 5 months of the year show a falling off of about \$40,000,000 in receipts of the railroads from passenger fares. Since rates were higher than a year ago, it is evident that the number of passengers carried must have been considerably less.

The figures furnish an excellent argument to show that the high rates are tending to decrease traffic. In fairness, however, it should be said that the less amount of traffic is also partly due to the general business depression.

A young Chicago lawyer has taken a position as secretary for Judge Landis mainly for the gaining of experience. If the judge continues as baseball monitor, as arbiter between the building trades workers and contractors,

together with his main duties as federal judge, the new secretary should certainly be able to garner up experience along many lines. The garnering process will be much more rapid than if he started his legal practice in the usual way.

### BLUFFS FUNERAL WAS LARGELY ATTENDED

Remains of Gladys Cannon Laid to Rest Sunday Afternoon in Green Cemetery.

Bluffs, July 10.—The remains of Gladys E. Cannon, former high school girl and student in the Bluffs high school, who died suddenly at the hospital in Springfield Thursday evening were brought to Bluffs on No. 3 and taken to the Methodist Protestant church where funeral services were held at 2:30 o'clock Sunday in the presence of a large number of friends whose hearts were saddened by her untimely death.

The words of sympathy and comfort were spoken by the Rev. E. J. Rees, pastor of the church. Six high school boys, her schoolmates of last year, were pallbearers. The flowers were in charge of Misses Zela Mueller and Loral Seaman, also schoolmates. With Miss Ruth Killpatrick at the piano, Mesdames H. Corbridge and Arthur Pyle sweetly sang "Face to Face" and "God Will Take Care of You." Interment was made in the Green cemetery.

Gladys Cannon, aged 18 years, 3 months and 3 days, was a former Naples girl but entered upon her school duties in the junior class of the B. H. S., September 1920 but did not finish the school year.

She was loved by all of her schoolmates and news of her death came as a shock to her many friends who loved her for her sweet and gentle disposition. For the past few months she has made her home with her father in Springfield.

### VILLAGE BOARD TALKS ORDINANCE

South Jacksonville Board of Trustees Considered Proposed Ordinance for Switch Track for Railway and Light Company.

An ordinance granting the Jacksonville Railway & Light Company to build a switch track in South Jacksonville and haul freight thru the streets of the village over the company tracks was considered at a special meeting of the village board Monday night.

The ordinance was read and a number of amendments offered and added thereto. This ordinance in its amended form will be presented by E. H. Gray, general manager of the company, to the officials and find whether or not it is acceptable.

There was quite a number of citizens at the meeting Monday evening and the clerk, E. E. Beasall, read petition protesting against the granting of the franchise. This petition, Mr. Beasall said, was signed by eighty four residents.

Mrs. Hollinger and Mrs. Wehl and T. J. Brennan of the park board were also present and spoke against the building of the proposed switch track on the south of the Vandalla road.

This protest was made not only because of its unsightliness but because of danger by obstructing the view of people going to the park. The members suggested that the track should be built to the north of the vandalla road and pledged the support of the board to secure its location there.

E. H. Gray, general manager of the company, was present and discussed the various points of the ordinance with the members of the board. The discussions are very friendly and no doubt the parties at interest will be able to get together on some equitable basis in the near future.

### COAL SHORTAGE IS SURE DEALERS SAY

Period of Non-Buying Means That Later Demand Will Exceed Supply.

Railroad operators and wholesale coal dealers continue to warn of the certainty of a coal shortage this fall unless dealers and the public can be influenced to buy and store coal during the summer months. Statistics of the geological survey show that the average weekly requirements of the country as 12,000,000 tons of coal while at this time less than 8,000,000 tons are being produced. This figure has obtained for several months past and this shortage has accumulated for at least a five months' period.

Various remedies have been suggested for this condition, including seasonal freight rates—that is, lower rates for coal shipped during the summer season—but thus far nothing has been accomplished. The buying public seems to feel certain that lower freight rates and lower coal prices are coming and the people are preferring to take this chance.

The coal operators point out that the less the production now the greater the costs and that higher prices for coal will be necessary later on. If freight reductions are given they will not be effective soon; railroad men say not soon enough to have much bearing on the coal supply for at least the fall and early winter months.

This general situation caused one division freight agent on the Burlington road to send out notices to agents of the company suggesting that they call upon dealers and emphasize the facts already narrated. This notice included the following paragraphs:

"I wish you would call on your retail dealers urging them to store all the coal possible and endeavor to have their customers store either their winter's supply or any part they can properly handle at this time."

"Unless some action along these lines is taken by dealers and consumers within the very near future, we will have a very serious coal shortage the coming fall and winter."

# "The Testing Block"

The Greatest Picture Hart Ever Made

The days of old, the days of gold, the days of '49!

—And under a giant redwood, on a wild Sierra slope, a little troupe of wandering minstrels. A trembling girl, with a violin, playing "Nelly Gray." A band of outlaws listening. Then—the spell is broken!—the demon awakes!—"Who shall take her?"—A mad-dening battle!—The bandit leader wins, and—The rest is a song of a soul's regeneration.

### WHITE HALL FAMILY LEAVES FOR THE WEST

White Hall, July 11.—Mrs. Hattie Pinkerton and two sons, Willie and Earl, have left on an overland trip to the west. They will pursue their journey in accordance with their life conditions, hoping that the same conditions in Colorado and New Mexico may prove beneficial. They are going to New Mexico, located

wherever they find the greatest benefit. Miss Laura will remain at home to continue her classes in music and dancing.

The members of the ladies' guild of the First Baptist church held an all day quilting today at the home of Mrs. W. F. Short on Centennial street, a basket dinner being spread on the lawn.

Mrs. Dean Cora and children departed this week for an indefinite sojourn with her parents at Wytheville, Va. Mr. Cora accompanied them as far as Cincinnati.

Miss Lurinda Fair, operator in the office of the Illinois Telephone Co., is off on a vacation of ten days,

which she is spending at various places.

The electrical storm just before noon Thursday wrecked the switchboard at the West Roadhouse, a station of the Central Illinois Public Service Co. The home of Frank Shenkel on East Sherman street was struck with slight damage, the bolt also damaging a nearby tree.

W. H. Hiltch, superintendent of the Patterson cemetery, was in town this week and placed an order for a military headstone over the grave of James Garrison, a veteran of the Revolutionary War, in the Patterson cemetery. Mr. Garrison's record has been traced through correspondence with Miss Lucy M. Hall of Jacksonville. He was born near Fredericktown, Penn., in 1747. He enlisted in Wilkes county, North Carolina, in 1775 for three months under Capt. John Hamlin, Col. Benjamin Cleveland, enlisting again in 1781 with Capt. Alexander Gordon, Col. James McDowell. He was in the battles of Cross Creek, the surrender of Ninety-six and Entaw Springs. He came to Greene county, Illinois, about the dawn of the 19th century, dying about the year 1810. In this connection let us state that Miss Hall has contributed extended and valuable data concerning Greene county soldiers in the Revolutionary War and in the second war with England.

### Funerals

**Bingman**  
Funeral services for James H. Bingman were held from Hebron church at 10:30 o'clock Sunday afternoon in charge of the Rev. G. T. Wetzel.

Music was furnished by Amos Swain, Arthur Swain, J. C. Swain, G. R. Swain, Miss S. J. Swain, Mrs. William Smith and Miss Hattie Jumper with Miss Emma W. Swain, accompanist. The flowers were cared for by Miss Erma Fox, Miss Dora Ausmus and Miss Opal Brown.

Burial was in Hebron cemetery the bearers being, Felix Sims, W. B. McIntyre, William Hopper, Gus McNeil, Charles Ausmus and Thomas Fox.

### Coulas

Funeral services for Lewis Coulas were held from Riggston M. E. church at 2:30 o'clock Sunday afternoon in charge of the Rev. Carl Corrie of Winchester. Music was furnished by the choir of the church. There were many floral offerings and these were cared for by Miss Jessie Richardson, Mrs. William Hodgkinson, Mrs. Ira Upchurch and Miss Alma Nortrup. Burial was in Gillham cemetery, the bearers being, Allan Coulas, Christio Coulas, Richard Coulas, Bert Coulas, Glenn Coulas and Ira Uphurch.

### Hickman

Funeral services for John Hickman were held from Central Christian church at 2 o'clock Sunday afternoon in charge of the Rev. Myron L. Pontus. Miss Alice Mathis was the organist. The flowers were cared for by S. F. Birdsell, Mrs. Clarence Ervin, Mrs. Wesley Birdsell and Mrs. Oakley Graybeal. Burial was in Jacksonville cemetery the bearers being, Roy Sumter, Alfred Owen, William Bradley, Berion Strang, V. Ballington, Samuel Birdsell.

### Deaths

#### Waters

The death of a daughter of George Waters has been reported. Her maiden name was Lola Walters but she was married at the time of her death. The funeral was conducted yesterday at the home of her father who lives at Shelbyville. George A. Smith, her uncle, went to the funeral.

#### Phillips

Word has been received of the death of a daughter of Mr. and Mrs. John Phillips of Boston. The little one was about four years old and death was rather sudden after a brief illness. Rev. W. S. Phillips and wife of Carlville went to the funeral.

### CIRCUS PERFORMER VISITED FRIENDS HERE SUNDAY

Mrs. Jerome Harriman, a little Japanese lady known in the circus world as Princess Tetu, came to Jacksonville from Springfield Sunday evening and spent the night with the family of W. E. Sullivan on West College street. Princess Tetu is one of the feature performers of the John Robinson circus which shows here today. She has been with this circus several years. Last November this interesting little lady spent some time here and in Roadhouse where she visited Mr. and Mrs. Sullivan's daughter Mrs. V. Page. Princess Tetu became acquainted with Mrs. Page in 1912 when they were both traveling with the same amusement company. Mrs. Page with her husband who was in charge of a big Eli wheel while Tetu did a free act with the show.

The Sullivans expect to have the little lady with them a part of the day today. She is not only accomplished as a performer but has travelled extensively and is an interesting conversationalist.

### CLUB WOMEN LUNCHEON GUESTS OF MRS. ADAMS

Members of the executive board of the federation of women's clubs were recent luncheon guests at the home of Mrs. A. L. Adams on West College avenue. Assistant hostesses were Mrs. F. M. Roberts of Chapin and Mrs. J. Parker Doan.

After the serving of the luncheon came a business session with Mrs. Lillian Scott presiding. A committee was appointed to arrange for a rest tent at the chalet which will be available for the use of any members of the club. It was decided to raise a fund for the furnishing of one room at the Morgan county tuberculosis sanatorium. Several other matters of business were given consideration. A report presented showed that there are now 30 clubs in the federation with a membership of more than a thousand women.

Parke Moses, a deaf employee of Capps mills, had two fingers of his left hand badly crushed and burned in an accident which occurred Saturday afternoon. The hand was caught in a steam press which was accidentally closed. Mr. Moses will be unable to work for some time.

Mrs. Lawrence Henry has returned after an extended visit in Hot Springs, Ark., and for the present will make her home in Woodson. She was accompanied by her sister, Miss Hazel Kloeche.

### PROOFREADERS IN REGULAR MEETING

Met With John Kearns of South Mauvaisterre Street Monday Night—Members are Getting Work in Magazines.

The Proofreaders met Monday at 7:30 at the home of John Kearns, 432 South Mauvaisterre street. The attendance was good, considering the fact that about half the members are now out of the city.

The most interesting feature of the program was the reading of the first two installments of a story which is being written by several members of the club, each adding a section to what has gone before. The third installment is to be read at the next meeting.

The literary work of several of the members has appeared recently in popular magazines of wide circulation. One member, Mrs. Bell E. Palmer, has had some of her work accepted by the Atlantic Monthly, which is considered the most difficult magazine in America for an author to break into. Her contribution was an article on color-psychology. The club is now conducting weekly columns in both Jacksonville newspapers, which are creating a great deal of interest.

The next meeting will be at the home of Mr. Kearns, July 25.

### CAID OF THANKS

We wish to express our heartfelt thanks, to the friends and neighbors, for their kindness during the illness and after the death of our husband and father. Also for the beautiful flowers; and to those who furnished cars. Mrs. Barbara Bingman and Daughters, David C. Bingman, Mrs. Lula McDaniel.

### HAD FISHING TRIP

Sunday morning Leslie Leak and family, Henry Seymour and David Bottom all of Franklin, went the day fishing at the river. Late in the afternoon they returned by way of Nichols park, where they stopped and had a fine supper returning home later in the evening. They reported a fine time.

### SHANNEN EXPLAINS STORE'S LOW PRICES

Gives His Meaning of "Sales" and "Special" Events—Why "Down to Business" Sale Was Announced.

"It has come to us that it is being said we cannot continue the low prices that we have been making on our high quality merchandise; that our manner of doing business is just a spurge or flash. We know better, and we know that you will know better as you know us longer.

"Perhaps the word sale in connection with most of our announcements is a misnomer. When we give publicity to such events and invite your presence it is not because we have goods that are slow-moving and must be turned into cash, but it is because we are able to continually offer astonishingly low prices on new goods. We do not intend to carry stocks beyond the quick absorbing power of a community, but at all times to have a carefully selected stock of women's wear priced to the public at a fair margin above cost to us, and our costs are low because we are able to eliminate middlemen's profits.

"Quick sales of new high quality goods, pleased patrons and small profits, is the motto of Shannen's stores.

"We do not announce Special prices on a few articles. Our low prices extend to every article in the store, and each price is based on our purchase price.

"And another thing, if at any time you don't find just the article you have pictured in your mind, let us know and we will have it here for you quickly.

Why Down to Business?

"Why do we announce a Down to Business selling event? "First, because we know that we have in stock, to be sold at remarkably fair prices, some of the prettiest things for women's wear ever shown in this city.

"Next, it is the policy of Shannen's stores to take the public fully into its confidence, to be absolutely frank in all respects. We want you to know what we are doing and why.

"When we located among you a short time ago we announced our Opening event, offering high grade, seasonable goods at extremely low prices. The response was most gratifying. We then invited you to a Get Acquainted sale event, and later asked you to follow the crowds.

"Results have been pleasing to us, and we feel must have been so to you individually.

"We have been at some disadvantage during this time by reason of the unfinished condition of our store room—this work is not yet complete. And there has been considerable difficulty with delayed shipments. But those are conditions which worry us more than the public.

"However, we have begun, we have become acquainted with many—many personally, and feel that now we can get down to business in earnest—the business of pleasing a really discriminating public.

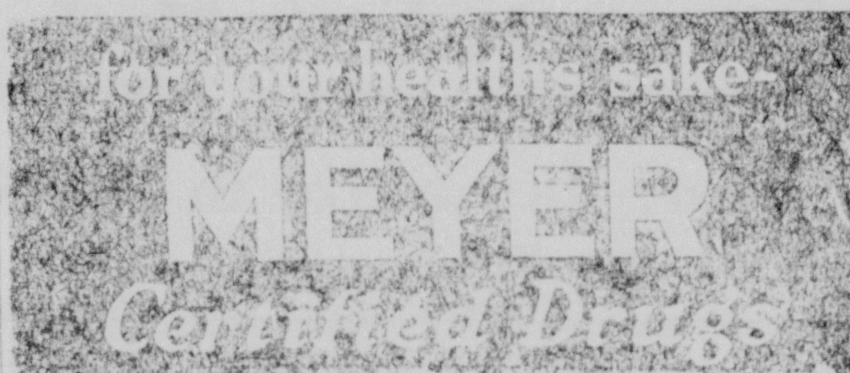

"Our Down to Business Sale" will be continued two days longer. New and beautiful merchandise in all departments, at astonishingly low prices." (Adv.)

Upon recommendation of the  
resolutions committee, the con-  
vention adopted a resolution

favoring a 44 hour week. It reads  
as follows:

44 Hour Week Resolution.

In the development of human so-  
ciety from savagery, through bar-  
barism to civilization, the dominant

power has been the unceasing  
development of the tools we use to  
extract a livelihood from nature. In

this long evolutionary process man  
gradually approached and then passed  
the point where he could produce

more than he could consume, hence  
the economic foundation for an ever  
increasing shortening of the hours of  
play, of study, of recreation, of life.

The labor organizations of the  
world came into existence for a spe-  
cific purpose—to defend the interests

of those who toil, of the useful mem-  
bers of society, in opposition to the  
parasites, who through a historical

process of expropriation of the fruits  
of labor have constituted themselves  
the owning or employing class. This

employing class resorts to various  
tactics in order to thwart labor in  
the realization of the benefits of the  
constant development of the tech-  
nique of industry. When labor-saving

devices are invented, instead of be-  
coming a means of shorter labor  
time, they are used as a means of  
depriving ever increasing numbers of  
workers of opportunity to earn a liv-  
ing wage, while maintaining the

hours of labor of those who are for-  
tunate enough to remain employed.

With the invention of labor saving  
devices in the printing industry this  
process of elimination of workers  
was not perceptible for a number of  
years, because of the fact that the  
inventions were simultaneous with  
the general transition from small  
commodity production to this era  
of large industry, hence the increased  
demand for printing tended to ob-  
scure this process for us, until re-  
cently. However, the development of  
the forces of production have now  
overcome the formerly equal trend of  
demand with supply of labor in this  
industry, until we have now reached  
a point where all the demands of the  
printing industry can be supplied  
with diminishing hours of labor. In  
fact, in order to secure employment  
for those workers in the industry  
who have produced their wealth of  
the employers it is imperative that a  
shortening of the working day take  
place.

This is, in brief, the economic  
foundation of the forty-four hour  
week. In 1919 it was apparent to the  
employers, especially those affiliated  
with the closed-shop branch of the  
typotheta, that the forty-four hour  
week was an economic necessity and  
it was specifically agreed that the  
forty-four hour week become effec-  
tive the first day of May, 1921. But  
between the date the agreement was  
signed and May, 1921, the general  
fight against organized labor that has  
been conducted by the National As-  
sociation of Manufacturers, the  
United States Chamber of Commerce  
and other employers associations, as-  
sumed a particularly virulent form,  
because of the depressed economic  
conditions of the country. These  
bloodsucking organizations of exploit-  
ers thought they saw in the financial  
and economic crisis, as the result of  
the aftermath of the World war, an  
opportunity to throttle organized  
labor, so they endeavored to capital-  
ize the nationalistic sentiment that  
had been aroused during the war in an  
effort to carry out their own pre-  
dictory designs. The slogan "open  
shop" was coined and expounded as  
the means whereby the reorganiza-  
tion and reconstruction of society  
must take place after the colossal  
calamity of the world struggle. The  
employing printers, or a large number  
of them, were affiliated in various  
ways with the larger organizations  
of employers and readily gave their  
support to the hypocritical and nefar-  
ious propaganda in favor of the  
"open-shop" or the so-called Ameri-  
can plan in industry. Hiding behind  
the flag of the country which thou-  
sands and tens of thousands of union  
men marched under to sacrifice their  
all for what they had been told was  
a struggle for freedom, the employ-  
ers, for the most part swivel-chair  
patriots, endeavored to deprive the  
working people of this country of  
their right of collective bargaining  
endeavored to destroy organized  
labor as a prelude to the introduction  
of their ideal system in industry, the  
unrequited toil of absolute peonage.  
In their infamous agitation they have  
traded the flag of the country they  
profess to support and have made it  
a cloak for their designs, for the  
single purpose of enriching themselves  
at the expense of every vestige of  
manhood, of decency and self-respect  
on the part of the working people  
whose labor has enabled them to as-  
sume a dominant position in indus-  
try.

The struggle against the forty-four  
hour week is a part of the general  
struggle against the principles for  
which the decent element of the  
workers in America and throughout  
the world has stood. In the struggle  
on the part of the employing  
printers they have been ably assisted,  
not only by the various manufactur-  
ers' associations, but by the supine  
slaves of the industrial and commer-  
cial magnates who patiently sit at the  
feet of their arrogant masters and  
pick up the crumbs that fall from  
their banquet tables. Such a group of  
slaves and intellectual prostitutes is  
the organization known as to prevent  
work being placed in union shops; a  
group just as devoid of decency as is  
the predatory masters whom they  
crawl upon their bellies before.

"The American Plan," or open  
shop, is a hypocritical pretense, a  
brazen gesture, an endeavor to throw  
dust in the eyes of the people of the  
country in an effort to conceal their  
real desire, their real motive behind  
their whole agitation, which is the  
establishment in America of a sys-  
tem of universal scabbery. The open-  
shop is meaningless, except as a  
synonym of scab shop. We must  
tear asunder this pretense of the la-  
bor hating, unscrupulous corruption-  
ists whose only desire is to arouse  
sentiment against organized labor by  
any means within their power and to  
eventually crush every vestige of  
united action on the part of the  
workers.

In consideration of the above,  
therefore be it

Resolved, That we, the delegates of  
the Illinois State Typographical  
Union go on record in favor of sup-  
porting to the limit the forty-four  
hour week proposition, because we  
are convinced it is the only economi-  
cally sound proposition claiming  
the attention of the workers in this  
industry.

The fight is on, and we will not  
countenance defeat or compromise.  
The employers have thrown down  
the gauntlet; we pick it up and hurl  
their challenge into their brazen faces.  
On with the struggle! Upon its out-  
come depends—Victory or Extinc-  
tion. We must annihilate the "Open-  
shop" desire on the part of the em-  
ployers of labor, or sink to the level  
of vile slaves.

Mrs. Frank Story of the east part  
of the county came to the city yes-  
terday.

## ECONOMY SLOGAN FOR CITY COUNCIL

Reduction in Funds From Taxa-  
tion Makes Need for Cutting  
Expenses—Reports From Offi-  
cers Heard.

The city council held a regular  
session Monday night, with Mayor  
Crabtree presiding. Roll call by  
City Clerk Scott showed all pres-  
ent with the exception of Alder-  
man Williamson. There were var-  
ious matters of business for con-  
sideration but the question of fi-  
nances occupied the most import-  
ant place.

Alderman Rowe, chairman of  
the finance committee, presented  
an informal report to show the  
expenditures for the different de-  
partments during the first six  
months of the year by comparison  
with the budget appropriations.  
The city is in a close financial sit-  
uation, in the first place because  
it was necessary to take a consid-  
erable amount of money from the  
general fund for additional ex-  
penditures on the light, power  
and filtration plant; secondly, be-  
cause the estimated amount of  
money from taxation was \$118,-  
491, whereas the actual amount  
received was \$89,495.

Must Practice Economy

The whole question of finance  
was discussed at some length and  
will be considered further at an-  
other meeting. Mayor Crabtree  
said the condition was one which  
the council could not obviate, but  
the only thing that could be done  
was to cut out all expenses except  
those absolutely necessary.

Recommendation was read  
from the Illinois Commerce com-  
mission calling attention to the  
question of increased rates for the  
Illinois Telephone Co. will be  
had July 21 and asking that the  
city be represented. An attorney  
will be sent to represent the city.

Bonds of various city officers  
were read and approved. George  
Stoldt, superintendent of the light  
plant, bond \$3,000, surety, Ameri-  
can Security Co.

W. H. Cobb, bond \$5,000; sure-  
ties M. F. Dunlap, E. M. Dunlap,  
Joshua Vasconcellos.

John E. Pires, bondsmen, E.  
M. Dunlap, J. H. Russell.

H. H. Summers, bondsmen, H.  
J. Rogers, E. M. Dunlap.

Alderman Flynn brought to at-  
tention a drainage trouble in the  
alley in the rear of the opera  
house building. W. W. Pickle,  
who owns the building on the  
north side of the alleyway, com-  
plains that the downfall from the  
Opera House building is not in  
proper condition and in conse-  
quence there is a mud hole in the  
alley, which on account of the hot  
weather has become very offensi-  
ve. This has been a constant  
source of annoyance and the mat-  
ter was referred to the sewer  
committee with power to act.

Alderman Ethie mentioned an-  
other offer to the city for the  
purchase of 10 acres of the Thies  
property adjoining Diamond Grove  
cemetery on the west. The land is  
offered now at less price than at  
a previous time, but the mayor ex-  
pressed the opinion that the finan-  
cial condition of the city does  
not warrant purchase at this time.  
The additional acreage will be  
needed some day but the need is  
not now acute.

Alderman Lonergan reported a  
depression in the pavement on  
South East street where sewer  
connections have been made to  
such an extent that an automobile  
was damaged there recently.  
This matter was referred to the  
proper committee.

Reports of Officers

Reports of officers were pre-  
sented. Treasurer H. K. Chenoweth  
showed a balance in the general  
fund of \$5,850.39.

J. W. Baptist brought to atten-  
tion the question of building cer-  
tain sidewalk intersections on Ep-  
ler street and this matter was re-  
ferred to Alderman Lonergan.

Trouble with the drainage water  
from Jacksonville State hospital  
at a certain point on Kosciusko  
street was referred to the proper  
committee. The complaint in this  
instance was filed by Messrs.  
Baker, Berry and Harmon.

Weeds Must Be Cut

Still another complaint made  
was with reference to weeds that  
are growing in vacant lots in var-  
ious parts of the city. The mayor  
and various ones of the alder-  
men have received numerous com-  
plaints, verbal and written, about  
these weeds and conditions are  
such that there can be no further  
delay in cutting. The city ordi-  
nance fully covers the matter and  
hereafter when the owner of a  
lot is notified to cut weeds and  
not do so the fine which the ordi-  
nance provides will be imposed.  
This action is to be taken because  
these weed patches are both un-  
sightly and unhealthy.

J. E. Scott, city clerk, reported  
the following receipts: thru his  
office; \$5,792.86; Diamond  
Grove cemetery \$765.62; Jack-  
sonville cemetery \$129.

## INDEES TRIM VIRDEN MERCHANTS SUNDAY

Take Visitors Into Camp by Score of 10 to 6—Both Teams Hit Ball Hard.

The Indies took the Virden Merchants into camp at South Side park Sunday afternoon by a score of 10 to 6. Both teams hit the ball hard and it was anybody's game until the last man was out.

Hamm and G. Epsey started the mound work and neither seemed to have much to fool the batters and players of both teams took occasion to fatten up their averages.

For the visitors Condon and Gall were the stars with the bat. Each made three hits but two of Gall's were of the Texas league variety. All of Condon's however were solid smashes and two of them went to three bases.

The last of them landed in a shock of wheat out in left field and Christopher ruined several perfectly good bundles fighting to get hold of the ball.

All of the locals hit the ball hard and everybody but Hamm got a hit. All of them were solid wallops and those that failed to go safe nearly knocked down a fielder.

Clark and Burkery led the at-

tack for Jacksonville, each getting three blows. Burkery looked good at the bat and hit the ball hard in a nice style. Cox at first base also played an excellent game getting several pegs that ordinarily would have gone wild. Hamm also fielded his position well.

How the Runs Were Made. After blanking Virden in the first the Indies got busy and got enough runs to win an ordinary game. Denney singled thru J. Sepsey.

DeFates struckout Denney stole second. Wheeler doubled and Denney scored. Cox was out. Koppke to L. Sholtis. Clark hit one a mile to left field for three sacks scoring. Wheeler, Ruble's single scored Clark. Christopher and Ruble were both safe on J. Sepsey's error. They executed a double steal and both scored on Burkery's single. Hamm ended the inning by striking out Timko.

The visitors made two in the third on Hall's single. Condon's triple and G. Sepsey's sacrifice. The Indies got them back in their half of the same inning. After Cox had gone out, G. Sepsey to L. Sholtis doubled by Clark. Ruble and Burkery and Christopher's infield out brought in two scores.

Virden made two more in the fourth. Koppke doubled and took third on passed ball while Timko was striking out. He scored on Burkery's ss. G. Sepsey to L. Sholtis. Hamm p. 4 0 0 1 5 0.

## HOME RUNS ENABLE YANKS TO BEAT SOX

Ruth and Muesel Make Homers With Man on Base Each Time—Makes Thirty-Second One for Ruth.

CHICAGO, July 11.—(American)—Home runs by Muesel and Babe Ruth with a man on base each time, enabled New York to take the final game of the series from Chicago today, 4 to 0.

The game was a pitching duel between Kerr and W. Collins, the latter holding the locals to five hits, while his teammates gave him fine support in the pinches. Muesel accounted for the visitors' first two runs when he drove the ball into the left field bleachers after Baker had singled. Ruth drove his four base hit, his 32nd for the season, into the right field bleachers after Peckinpaugh had walked.

## Cabinet ELECTRIC WASHER

Do you realize what a wonderful advance the Maytag is over old-style washers? It alone, has the famous *Millrace Principle* of flushing hot, soapy water through the meshes of the fabric with an unusual cleansing force.

And the Maytag has many other improvements which make it the most refined electric washer ever developed.

Come in and see it demonstrate its marvelous quietness and smoothness in operation—its ease in operation and control—its beauty of design and finish. All of these will convince you that the Maytag is truly the last word in Electric Washers.

Come for a demonstration now.

## Daily Market Report

## WHEAT PRICES

CLOSED STEADY

By Associated Press.

CHICAGO, July 11.—Free country offerings to arrive did a great deal in the wheat market today to counterbalance adverse crop conditions northwest. Prices closed steady to net lower to a like advance with September \$1.18 to \$1.18½ and Dec. \$1.21 to \$1.21½. Corn gained to 2¢, oats finished 3¢ off to 2¢ up, and provisions unchanged to 1¢ higher. At first the wheat market showed considerable strength with traders giving much attention to high temperatures in the northwest and to a renewal of misgivings about blackrust in Minnesota and North Dakota. Later, however, indications that the movement of new wheat was increasing became the principal factor. As a result of greater hedging pressure premiums both for No. 2 hard wheat and for No. 2 red winter wheat disappeared and 25,000 bushels were sold to go to store. In this connection, the continuance of the strike of elevator employees operated as a drag on the market. Some complaint was made of car shortage in the southwest. On the other hand predictions were for cooler weather in the spring crop belt.

Absence of rain together with reports that corn was commencing to dry in parts of Illinois and Indiana had a bullish effect on corn markets. Oats averaged higher in sympathy with corn.

Provisions reflected good domestic and export demand as well as upturns in the value of hogs.

## MODERATE DEALINGS

ON STOCK EXCHANGE

By Associated Press.

NEW YORK, July 11.—In the moderate dealings of the morning on the Stock Exchange today shorts brought greater pressure to bear against oils, steels, equipments and many of the less prominent industrials and specialties. Mexican and Pan-American Petroleum, Harvester, Pullman, United States Rubber, Sumatra Tobacco and Cuba Cane Sugar were lower by 1 to 24 points.

Sears Roebuck, Famous Players, Industrial Alcohol and International Paper lost 1 to 3 points. Baldwin, Studebaker Crucible and Atlantic Gulf led a moderate rally, most of which was cancelled before noon. Call money opened at 5½ per cent, but foreign exchange became increasingly weak.

## SPORTS OF WESTERN PLAINS COMING HERE

Roundup, Scheduled for August 4 to 6 Under Auspices of Jacksonville Business Men—Surplus Fund Will Be Used for Mauvaisterre Lake Bridge.

A real, honest to goodness Wild West Show, a Cheyenne Rodeo, a genuine western cowboy, broncho bustin' wild and woolly round-up.

Yes, that's what's coming to Jacksonville.

It's coming here Thursday, Friday and Saturday, August 4, 5 and 6.

At a meeting held yesterday afternoon at the new Chamber of Commerce office rooms in the Myers Brothers Building, it was definitely decided to stage the show here. The decision was reached by a committee of the Chamber of Commerce acting in cooperation with Mayor Crabtree and the city administration. The proposition had previously been endorsed by the executive committee of the Chamber of Commerce and in reality is a merchants enterprise put over for the best interests of Jacksonville in general and for the distinct purpose of building a bridge for vehicles over the dam at Lake Mauvaisterre in particular.

It is the hope of all concerned that the project will not enough money so that the park board will be enabled to proceed at once with the building of a bridge. This means that the wild west show must have a great amount of the proper kind of advertising, that it must have the active support of every Jacksonville citizen, that it must be a good show and draw from every section of the countryside within a radius of 40 miles of this city. It means that the rodeo and round-up must be a paying proposition on a large scale in order to make the bridge an assured fact for the city.

The wild west show which is being brought here through the management of Mr. Barber of St. Louis will be a departure from the time honored circus and carnival with which we have all become familiar. The round-up, of course, has a distinctly western complexion. In fact all of the principals engaged are from the western states. The cowboys and the cow girls are fresh from the plains. They are born riders, and are said to be capable of some thrills on the field.

In addition to the wild west round up and Cheyenne rodeo there will be a number of Roman chariot races, and the like. These are said to be the finest in this particular field and undoubtedly will strengthen an already strong program.

It has been many years since the late Buffalo Bill was here with his troupe of western riders. It has been a number of years since we have had the opportunity of witnessing such an array of wonderful riders and daring horsemen as will be on exhibition here early next month. With fair weather there is little question that the seats around the big arena which will soon be constructed will be packed at every performance given. Afternoon performances only will be given, as it is too difficult to illuminate so large a field sufficiently to enable a night show to be put on.

There will be a meeting held at the Farrell State Bank this morning at 10 o'clock of the general executive committee in charge of the affair. This committee will go over matters with Mr. Barber and then will perform the function for which it was selected, that of selecting other committees for the big show.

The executive committee which will announce other committees soon is composed of:

General chairman—Mayor E. E. Crabtree.  
Vice chairman—Stanley Wright.

Treasurer—Lloyd Reid.  
Secretary—Harold Welch.  
Concessions—E. A. Brennan.  
Other members of the committee are: Fletcher Hopper, T. M. Tomlinson, Carl Hook, W. A. Fay, and R. Y. Rowe.

## Social Events

### Gave Benefit Dance

The Ladies of the Service Star Legion in co-operation with the park board, gave a very successful dance last evening at the Nichols park dance pavilion. There were about two hundred people in attendance and Jacksonville people showed their interest in the Victory Drive tree project for the benefit of which the dance was given. Trees are to be planted along Victory Drive around Lake Mauvaisterre in honor of all of Morgan county's soldiers and last evening's affair aided materially in securing funds for the project. Over a hundred Jacksonville people were patrons and patronesses for the dance.

### Helen Rawlings Chapter Has Picnic

The young ladies of the Helen Rawlings chapter of the First Baptist church held their annual picnic supper at the home of Miss Edith Stewart, on Mound avenue last evening. A picnic supper was served on the lawn of Miss Stewart's home at 6 o'clock. The evening was spent with games and other amusements. There were about twenty-five guests present. The committee in charge of the affair included Miss Elizabeth Long, Mrs. Ernest Rutherford and Miss Edith Stewart.

### Women's Class Has Annual Picnic

The Loyal Women's class of the Central Christian church held the annual picnic last evening at Nichols park. Members of the class and their families were the guests numbering almost one hundred. A sumptuous picnic supper was served at 6:30. Mrs. Charles Roberts, president of the class and Miss Eleanor Thompson the teacher were in charge of the arrangements for the outing.

### Party in Honor of Rev. Hillerby

There was a pleasant gathering last evening at the home of Mr. and Mrs. Charles Hopper on North Diamond street, in honor of Mrs. Hopper's father, the Rev. J. P. Hillerby, who Sunday celebrated his eighty-ninth birthday. The affair was a surprise for the veteran Methodist minister and it was the occasion of the extending of many hearty good wishes to Rev. Hillerby. The guests were the Jacksonville Methodist ministers and their wives and also Rev. and Mrs. E. L. Plecher, Dr. and Mrs. F. M. Rule and Pres. and Mrs. Joseph R. Harker. During the pleasant evening, the hostess served delicious refreshments.

### Entertains Caritas Members

The members of the Caritas lodge No. 625 were entertained last evening at the home of Mrs. George Hocking, 446 South Main street. There were about forty guests present and the evening was spent in a delightful manner with music and conversation. Appropriate refreshments were served in the course of the evening. The hostess was assisted in entertaining by Mrs. Van Houten and Mrs. Sallie Brodie.

### Family Reunion

Sunday afternoon at Nichols park there was a pleasant family gathering in honor of Mrs. E. J. Phillips. Her sons, Henry P. and wife, John R. and wife, Albert E. and wife; daughter, Mrs. George Siegfried and husband, were among the number. Also Margaret, Lola and John Wilbur, children of Mr. and Mrs. John R. Phillips; also grandchildren Robert and Grace Phillips and from Springfield, grandchildren Henry and William Steukuehler. There were also present, Miss Leil and Bell and Isa May Kinzaid. A very pleasant time was enjoyed by all present and at six a fine picnic supper was greatly enjoyed by everyone present.

### Entertained at Dinner Sunday

Mr. and Mrs. George Clayton entertained a number of people at a chicken dinner at their home south of Woodson Sunday. Those present were Mr. and Mrs. Foster and children of Alexander, Mr. and Mrs. Walter Oddy and children of Alexander, Mr. and Mrs. Jackson and children of Nortonville and Mr. and Mrs. Charles Burrows and children of Jacksonville.

### Sunday School Class Picnic

Yesterday evening the members and guests of the Loyal Women's class of Centenary Christian church Sunday school repaired to Nichols park for their annual picnic. A large number assembled as the class has 85 enrolled members and of course had a royal good time. Miss Eleanor Thompson is the teacher. Mrs. Charles Roberts, president, Miss Nellie Sibley, secretary and Mrs. Frank Ratichak, treasurer.

A fine supper was of course a feature of the occasion and all went well.

### Congregational Church Picnic

The members and friends of the Congregational church Sunday school gathered yesterday afternoon at Nichols park for their annual good time and a good time it was indeed. The worthy pastor, Rev. George E. Stickney and Prof. Scott manned the boats and gave the children a lot of rides about the lake which was a source of great pleasure. Ball, swinging and all sorts of pastimes occupied the hours till supper time came. The tables were assembled, the new ones with seats attached being especially commended. An abundant supply of the good things of life crowded the tables and young and old gathered about with keen appetites to enjoy the feast of good things. Ice cream was in abundance and all had enough till they

could take no more. The tables were admirably served and all went off with fine success. Automobiles were on hand to take out and return the people and nothing was lacking to make the occasion what was desired.

### Spire's Family Held Reunion

Mrs. O. W. Briggs of Harper, Kansas, and Mrs. M. T. Smith and baby of Houston, Texas, were the guests of honor Sunday at a reunion of the Spire's family at Nichols park. The affair was formerly an annual event, though this was the first reunion held since the death of Mrs. Margaret Spire's which occurred almost eight years ago.

About fifty members of the Spire's family were there including people from Springfield, Murrayville, Nortonville, Franklin and this city, besides the guests of honor. Only two of the immediate family were not present, Mrs. Sarah M. Seymour of Arcadia, Calif., and Mrs. P. C. Wood of San Antonio, Texas. The six other daughters and the one son of the late Mr. and Mrs. W. T. Spire, Sr., were there, Mrs. M. L. Roberts, Mrs. S. A. D. Whitlock, Mrs. Isaiah Whitlock, Mrs. Emma Smith, Mrs. Martha Story, Mrs. O. W. Briggs and W. T. Spire.

A sumptuous dinner was served at 1 o'clock and the afternoon was spent in talking over old times. Those present yesterday were: Mr. and Mrs. W. T. Spire, Miss Carrie B. Spire, Mrs. Louis B. Spire, Mr. and Mrs. Joseph Meyer, Mr. and Mrs. Charles H. Story and Master Harry Garner Story of this city, Mr. and Mrs. Otto Spire and daughter, Mr. and Mrs. Harvey Spire, Mr. and Mrs. Marion Spire and daughter, Mr. and Mrs. T. W. Deere, Misses Ida and Harriet Deere, Mr. and Mrs. M. L. Roberts of Franklin, Mr. and Mrs. S. A. D. Whitlock, Mr. and Mrs. Grover Whitlock, Mrs. Isaiah Whitlock from near Murrayville, Mr. and Mrs. Roscoe Bishop, Harold and Dorothy Bishop and Mrs. Emma Smith of Springfield, Mr. and Mrs. C. F. Story, Mrs. Martha Story, Mr. and Mrs. Gus Seymour, Mr. and Mrs. Van Seymour of Nortonville, and Mrs. O. W. Briggs of Harper, Kansas, and Mrs. M. T. Smith and baby of Houston, Texas.

## WINCHESTER CHURCHES HELD UNION SERVICES

Sunday Evening Service Held on Lawn of Baptist Church—Fixtures Arrive for First State Bank—Other News Notes.

Winchester, July 11.—A union service was held on the lawn of the Baptist church Sunday evening, when the sermon was delivered by Rev. Mr. Corrie of the Methodist church. It is the expectation to hold union services throughout July and August, the pastors of the various churches filling the pulpit.

M. B. Edmonson of Clayton is visiting relatives here. D. D. Watt, Miss Higgins, Mrs. J. W. D. Gibbs and family, Mrs. C. Grout and Miss Dow were among the visitors in Jacksonville Monday.

John Osborne and R. Covington of Jacksonville were business visitors in Winchester Monday. New fixtures are arriving for the First State bank and it is the expectation that the work of redecorating will soon be commenced. The bank will be one of the finest in this section of the state when the work of remodeling is completed.

Dr. and Mrs. A. L. Adams and guests of Jacksonville were Monday visitors in Winchester.

Misses Vera and Selma Wiesner arrived Sunday from St. Louis to visit at the home of their uncle and aunt, Mr. and Mrs. Ves Wiesner.

Mrs. Ray Windsor and daughter Margaret returned Monday to their home in Dorchester after a visit at the home of Mr. and Mrs. Earl Nelson.

A son was born to Mr. and Mrs. Harold Birk at Passavant hospital Monday.

## NO MORE NAMES ON THE MONUMENT

The final list of missing names for the soldiers' monument was sent away yesterday so it will now be of no use to send in any more. The monument association feel that they have done all that can reasonably be asked of them to secure the names of all veterans who were entitled to a place on the beautiful memorial and now they can do no more. In the first effort the cause was advertised at least six months and finally the names secured were published and yet, in spite of that names have kept coming in ever since so that yesterday 149 were sent in.

It is the expectation to have a plate similar to the ones now on the monument and place it on one of the four spaces about the shaft

and while it will somewhat destroy the symmetry it will not be a disfigurement and will afford proper recognition of the men who risked their all in their country's behalf. Hereafter it will be of no use to send in any more names or any corrections. The work must be completed some time and the association has waited long enough, they feel.
